Lastly, the 2015 Cabernet Sauvignon Beckstoffer Dr. Crane Vineyard is top notch, sensational, awesome, pick your favorite adjective! Its deep purple color is followed by an incredibly pure, concentrated beauty that has a stacked mid-palate, plenty of underlying structure and flat out great notes of currants, blueberries, damp earth, tobacco and hints of chocolate. A wine that continues to grow with time in the glass, it's a gem in the vintage that I'd happily drink anytime over the coming 20-25 years. – JD
