2018 Cabernet Sauvignon Dr. Crane Vineyard

100 Points

Jeb Dunnuck – January 2021

I always seem to compare great wines from this site with Haut-Brion, and I think the comparison holds here, although it's a Haut-Brion on steroids! The 2018 Cabernet Sauvignon Dr. Crane Vineyard reveals a dense purple color as well as a powerful nose of ripe black fruits, tobacco leaf, earth, coffee beans, and gravelly earth. All of these carry over to the palate, where the wine is full-bodied and has a deep, layered mid-palate, sweet tannins, and a blockbuster of a finish. Hats off to the talented Russell Bevans for another brilliant, singular wine that's going to keep for 20-25 years. – *JD*
