Jeb Dunnuck – May 2022

The 2019 Cabernet Sauvignon Nomad Beckstoffer Missouri Hopper Vineyard shows the darker, tobacco, herbal, and chocolaty style of this vineyard beautifully and brings full-bodied richness and a lush, opulent, yet still balanced and elegant mouthfeel on the palate. It's beautifully done and has enough tannins to keep it evolving nicely for 20+ years if you're so inclined, although there's no need to delay gratification. – *JD*
