2016 Cabernet Sauvignon Lithology Beckstoffer To Kalon Vineyard

97-100 Points

The Wine Advocate - December 2017

Opaque purple-black, the 2016 Lithology Cabernet Sauvignon Beckstoffer To Kalon (a barrel sample) sports notions of smoked meats, chargrill, fragrant earth and black truffles with a core of cassis and black cherry preserves, plus a waft of licorice. The palate is medium to full-bodied and beautifully refined, with elegant expression and a finely pixelated texture, finishing very long and very lively. 150 cases were made. – LPB
