2018 Cabernet Sauvignon Lithology Beckstoffer To Kalon Vineyard

97-99 Points

The Wine Advocate – October 2019

This is made of 100% Cabernet Sauvignon; the grapes were harvested October 16 and fermented in oak and concrete. It aged in 77% new French oak. The 2018 Lithology Cabernet Sauvignon Beckstoffer To Kalon Vineyard, a barrel sample, has a deep purple-black color and slowly unfurls to offer crushed blackberries and boysenberries scents before giving way to nuances of redcurrants, crushed rocks, earth, truffles and bay leaves with a waft of red roses. Medium to full-bodied, firm and wonderfully plush, it is fresh with savory and earthy layers, finishing long. –
