Jeb Dunnuck – January 2019

An incredible wine that tops out on my scale, the 2016 Cabernet Sauvignon Beckstoffer To Kalon comes from one of the great terroirs of the world and delivers everything you could want from a Napa Cabernet! Off-the-hook notes of blackcurrants, blueberries, black cherries, violets, plums, smoke tobacco and incense all soar from the glass. It's a massive wine, yet stays perfectly balanced and pure on the palate, with loads of tannins, no hard edges, and a blockbuster finish. It's undeniably about as sexy as it gets, yet stays graceful and light, with an ethereal personality. Don't miss it. – *JD*
